ABOUT US

Excel Pre-University College is a unit of Infinity Learning Foundation, Kuvettu village Guruvayanakere, Belthangady Taluk, D. K, Karnataka. Our institution has a rich legacy of success stories of students over the past 8 years in PUC Science stream. The concept of our PU college grew out of our Excel Coaching Centre, Ujire established in 2016. We have the commitment not only to engage students in academics but also igniting patriotism and cultural sensibility in young minds through regular cultural events at the campus. Thus, Excel PU College has a genuine concern for creating a conducive academic and cultural environment for its students to bring the best out of them.

Chairman's Mission and Vision

"Knowledge is the key to unlocking potential and achieving greatness." I am privileged to reflect on the remarkable journey of Excel PU College, Guruvayanakere, which has been a beacon of inspiration for thousands of students in both the Science and Commerce streams. Since its inception, Excel College has experienced rapid growth and expansion, evolving into a premier institution of PU learning, renowned for its academic excellence, innovative programs, and state-of-the-art infrastructure.

Our college has quickly become a pillar of hope for those aiming to excel in some of the most challenging competitive exams, including NEET, JEE, CET, NATA, NDA, CA, and CS. The impressive achievements of our students, such as scoring 710/720 in NEET and 597/600 in PU Board exams, are testaments to the collective efforts of our management, the unwavering support of parents, the dedication of our faculty, and the hard work of our students.

Our vision is steadfast to empower talented and enthusiastic students to excel in their pursuit of academic and professional success. We are dedicated to providing a nurturing environment that promotes curiosity, resilience, and a deep understanding of core subjects. With our dedicated faculty, state-of-the-art facilities, and comprehensive support systems, we aim to equip students with the skills and confidence needed to excel in these rigorous examinations.

Let us continue this journey with enthusiasm and dedication, striving to shape the leaders and innovators of tomorrow. May all the academic dreams of Excel students come true for a bright future ahead.
